

## **OBU Kids Rugby 2018** **'Skills Centric Rugby!!!'**

With our sheltered, all weather playing facilities at Boyd-Wilson Field and our committed coaches & management team, we aim to give 4 to 11-year olds a fun, safe, skills-based Rugby experience. Even better, because of the excellence of the facilities, your child will get to play at 'home' at the same time every week!

So, come and check us out and join the fun at one of our Junior Club Days at Boyd-Wilson Field (centrally located between Te Aro School and Victoria University)

3:30pm – 5:30pm  
Saturday 10 February &  
Saturday 24 February

Bring any and all your kids along to meet the coaching crew, enjoy the training activities and chase around Leo the Lion before we finish up with refreshments, who knows, there might be some generous help from Hell Pizza!
