2. President's Report

This year can best be summed up as a year of change for OBU. New coaches, new committee members, new clubrooms and the return of the women's team - and what a comeback it was! New Zealand Rugby as a whole is facing challenges in terms of finances, players recruitment and retention. It's been highlighted in the media and the challenges facing NZRFU and Wellington Rugby are mirrored at club Rugby. Without committed support it would very challenging indeed.

On that note I want to give a shout out to and thank our Committee for all their hard work behind the scenes. We have some real stalwarts who continue to do sterling work and this year we also had some new blood who bring enthusiasm and action! A case in point being our new website and some fantastic OBU merchandise becoming available so our supporters can stand out wherever they go. We are always looking for more volunteers though, so please don't be shy in coming forward if you have the time, energy or inclination to help our club grow and improve. It's truly rewarding and Rugby needs people willing to put back into the game now more than ever.

I also want to acknowledge and thank our sponsors – especially those of you who have contributed consistently year on year. We really can't do what we want and need to as a club without you and your sponsorships has a direct impact on our players and volunteers. I hope you take as much joy as I do in the results we see on the field and the success of our players and take pride in your critical part in that. The move to LeRoys has been one of this year's success stories. With change always comes risk, but everyone has worked hard to make this seamless and the feedback and experience has been extremely positive. My special thanks to Regan and the great team LeRoys for their support and making our club so welcome.

Finally, all the hard work behind the scenes is aimed at supporting our players and coaches to deliver on the field and it would be remiss of me not to mention our successes in that regard. While the premiership struggled due to injuries in the second half of the year they were by far the most exciting and dominating team I saw in the first round and demonstrated their potential to stand astride the winners podium in future years. Our under 21s are a key part of the club and culture and a feeder of future premiership players. Their result this year in winning the Vic Calcinai Memorial Cup is something to be very proud of. Our under 85's followed suit winning the Tony O'Brien cup and finally the success of the women's team making the final of the Izzy Ford Cup in their first year back at club is really exciting and encouraging. The new year looks full of promise and I hope to see you again on the sidelines in our new OBU merch or at LeRoys afterwards having an OBU beer.

Mark Larsen
President

3. Chair's Report

When I agreed to take on the Chair's role, I was assured it was straightforward and easy. After my first season, it is clear that was the recruitment pitch rather than the job description. It has been a year of change: welcoming our young—and less young—brethren from Wests, now OBU Juniors and Mixed Vege, watching our new women's team flourish, welcoming new Academy leadership and finding a new home at Leroy's, all while navigating tighter funding and stretched volunteer capacity.

For me it has also been a year of growth. I've been with OBU for over twenty years and always felt part of a team rather than a club. Being chair has allowed me to see all the amazing mahi and aroha taking place across the club from watching my nephew play junior Rugby to engaging with our women's and senior teams. It is a constant reminder of how much OBU means to so many people. There has been plenty to learn, usually at the 11th hour, but I look forward to applying those learnings to the coming season and strengthening connections across the club.

Thank you to everyone who makes OBU happen: players, coaches, managers, committee, sponsors, supporters, referees, WRFU, WCC and whānau—right through to someone's aunty running the sideline with a flag. Before 15 players take the field, an enormous amount of mahi has already happened. If you have played a part, however quietly, please know you are appreciated.

Some of this year's biggest steps have been years in the making. Thank you to those who laid the groundwork and everyone now turning those ambitions into teams, relationships and opportunities we can build on.

1, 2, 3s:

Our new women's team making the final of their division. Congratulations to everyone involved. Our renewed women's team also earned Club Team of the Year. Thank you to everyone involved from the coaching and management, senior players to the new players giving Rugby their try, watching you build a team and a culture was a real pleasure.

Our Under 85Kgs quietly performing and winning their division. I understand you're watching the scales but we'd love to celebrate with you!

Our Colts winning the Vic Calcinai Trophy, well done to Dave Calvert, Steve Wilson and Eric McAuley for a job well done with this excellent team.

Across our other teams, the season brought a mix of promise, resilience and fresh starts. The Premiers began strongly and beat both Swindale and Jubilee winners but fell short of their always lofty ambitions, while the Premier 2s showed amazing resilience and kept playing for each other through a tough campaign which saw them lose key players in support of the Premier side.

In our reserve grades the Righteous Pink Ginners (RPG) contributed strongly on and off the field, while the 69ers are rebuilding towards their historic 50th year in 2027. The arrival of the Mixed Vege's added another welcome chapter: last year, sworn enemies; this year, brothers in arms. The battle for the Ruru shield continues.

New connections, stronger pathways

Of all those changes, welcoming OBU Juniors, formerly Wests Juniors, is particularly significant for our future. The Junior Committee showed real courage and trust in committing before the formalities were complete, and we appreciate it enormously. Junior families have

already set the standard with their sideline support; our opportunity now is to return that support and build a genuinely two-way connection. That focus on people carries through to the Academy, where we welcome Fa'Sua Makisi as Lead. She brings professionalism and a holistic approach, supporting players as people and students while combining Rugby expertise with wider skills for sporting life. Our players' achievements give us plenty to celebrate as the programme develops, building on the foundations Tomasi helped establish.

Beyond club Rugby, our players helped Wellington Pride win their championship, while Harry Irving and Johnny Falloon earned rookie honours with Otago and the Wellington Lions respectively. Congratulations to all our representative players, award recipients and nominees, and thank you to the coaches, managers and whānau helping them reach the next level.

Our new clubrooms at Leroy's has revitalized our off field comradery, allowing all teams to mix and mingle in our own space in the heart of the city. Huge thanks to Reagan, Ollie and the Leroy's staff. We look forward to continuing and building our partnership. To our sponsors, funders and donors: thank you for backing community Rugby when every dollar counts. Please support the people and businesses who support OBU.

From reacting to preparing

Alongside the progress, there have been hard realities. Despite considerable effort, we could not repeat 2025's funding, and losing our Director of Rugby left a gap we could not afford to replace directly. We are managing a tight budget and exploring alternatives to traditional funding pathways to rebuild our baseline, with the detail covered in the Treasurer's report. Funding and volunteer pressures are not new, but this year has reinforced the need to prepare earlier, spread responsibility and give people the support to follow through.

Those experiences are shaping a different approach to 2027. Preparation has already started, with coaching, recruitment, funding and volunteer planning underway. We are putting clear calendars and responsibilities in place so people know what needs doing, when it needs to happen and who will support them. A refreshed website, OBU gear and more ways to get involved are also on the agenda.

I am staying, if you'll have me, to help turn those lessons into action: strengthen our finances, support our volunteers, reconnect our community, build our culture and bring juniors and seniors closer together. We cannot promise an easy year, but we can prepare better and share the load.

If you want to be part of our journey, put your hand up—as little or as much as you can give, we need you. Let's build a club we are all proud to belong to.

Ed Griffiths
Chair

4.6. Notes to the Performance Report

Wellington College Old Boys & Victoria University of Wellington Rugby Football Club Inc
For the year ended 31 August 2026

1. Statement of Accounting Policies

Reporting entity

The performance report presented here is for the entity Wellington College Old Boys & Victoria University Rugby Football Club Inc, incorporated under the Incorporated Societies Act 2022.

Nature of business

The entity is engaged in providing services as a Rugby union club. The nature of the entity's business has not changed during the year under review.

Basis of Preparation

The entity has elected to apply PBE SFR-A (NFP) Public Benefit Entity Simple Format Reporting - Accrual (Not-For-Profit) on the basis that it does not have public accountability and has total annual expenses equal to or less than \$2,000,000. All transactions in these financial statements are reported using the accrual basis of accounting. This performance report is prepared under the assumption that the entity will continue to operate in the foreseeable future.

Historical cost

This performance report has been prepared on a historical cost basis.

Presentation Currency

The Performance Report is presented in New Zealand dollars (NZ\$) and all values are rounded to the nearest NZ\$.

Changes in Accounting Policies

There have been no changes in accounting policies. Policies have been applied on a consistent basis with those of the previous reporting period.

Revenue Recognition

Donations and grants with no "use or return" condition attached are recorded as revenue when cash is received.

Donations and grants with a "use or return" condition attached are recorded as a liability when cash is received, and as the conditions are met the liability is reduced and revenue is recorded.

Donated goods or services are not recorded.

Fundraising revenue is recorded when cash is received (is no "use or return" condition is attached). Fees and subscriptions from members are recorded in the year to which it relates.

Interest income is recorded as it is earned.

4.6. Notes to the Performance Report (contd.)

Trade Receivables

Trade receivables are initially measured at the amount owed. When it is likely that the amount owed, or some portion, will not be collected, an impairment adjustment is recorded. Interest charged on overdue amounts are added to the individual debtor balance.

Provisions

Provisions are recognised when the entity has an obligation which can be reliably measured at balance date as a result of a past event and it is probable that the company will be required to settle the obligation.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the obligation at balance date. Movements in the best estimate are recorded in the Statement of Financial Performance.

Loans

Loans are recorded when the amount borrowed has been received and measured at cost. Interest expense is recognised on an accruals basis.

Goods and Services Tax (GST)

The entity is registered for GST. All amounts are stated exclusive of goods and services tax (GST) except for accounts payable and accounts receivable which are stated inclusive of GST.

Income Tax

Wellington College Old Boys & Victoria University Rugby Football Club Inc is wholly exempt from New Zealand income tax having fully complied with all statutory conditions for these exemptions.

2. Cash & Cash Equivalents

	2026	2025
OBU Colts	3,930	0
OBU Women	751	0
Capricorn Club	4,650	4,150
TSB Cheque Account	36,751	28,724
OBU Prem Reserve Account	4	4
OBU Premier Account	1	631
Total Cash and Cash Equivalents	46,087	33,510

3. Property Plant and Equipment

	2026	2025
Plant and Equipment		
Opening Balance	5,568	7,662
Prior Year Adjustment	0	(140)
Acquisition	26,960	-
Depreciation	(9,285)	(1,950)
Loss on Disposal	(31)	(4)
Total Plant and Equipment	23,212	5,568

[Return to Annual Accounts Index](#)

Items of property, plant and equipment are initially recognised at cost. Historic cost includes items of expenditure directly attributable to the acquisition of assets and includes the cost of replacements that are eligible for capitalisation when these are incurred.

Items of property, plant and equipment are subsequently measured either under the cost model (Cost or fair value for items acquired through non-exchange transactions less accumulated depreciation and impairment).

All other repairs and maintenance expenditure is recognised in the Statement of Financial Performance as incurred. Depreciation is calculated on a straight line / diminishing value basis over the estimated useful life of the asset. The following estimated depreciation rates /useful lives have been used:

Plant and equipment 16% - 50% SL & DV

An item of property, plant and equipment or investment property is derecognised upon disposal or when no further future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Financial Performance in the year the asset is derecognised.

4. Related Parties

Related parties in the NFP sector include: people that have significant influence over the entity, whether employed or volunteer, and close members of their families. In addition consider other entities that have significant influence of the entity.

A related party transaction must be disclosed if:

1. the transaction is significant (individually or in aggregate with similar transactions) or
2. the transaction (significant or insignificant) is on terms and conditions that are likely to be different from the terms and conditions between unrelated parties in similar circumstances

5. Commitments

There are no commitments as at 31 August 2026 (2025: nil).

6. Contingent Liabilities and Guarantees

There are no contingent liabilities or guarantees as at 31 August 2026 (2025: nil).

7. Acknowledgements

The Wellington College Old Boys and Victoria University of Wellington Rugby Football Club (Inc) would like to acknowledge the kind support and generous contributions made to it this reporting period by the organisations listed below:

Victoria University of Wellington, Lion Foundation, NZCT, Bobby Foundation, Air Rescue, Pub Charity, Leroy's Bar & other sponsors named elsewhere in the Annual Report

8. Going Concern

The Club is reliant to a degree on external funding (including grants and sponsorship). A loss of \$14,708 was generated in the year to 31 August 2026. If funding does not continue at required levels the Club may be unable to settle debts as they fall due and may be unable to continue in operational existence as a going concern. The Executive Committee consider the going concern basis to be appropriate as they believe the club will have adequate resources and funding to continue operations and settle debts as they fall due. For this reason the Executive Committee continue to adopt the going concern assumption in the preparation of the performance report for the 31 August 2026 year.

9. Comparative Figures

Some prior year expenditure comparatives have been re-classified from the previous year.

6. Club Captain's Report

Thank you to all our volunteers whether it be as a coach, team manager, committee member or other, your time and commitment doesn't go unnoticed and deeply appreciate your efforts this season.

It was great to see the return of our Women's team; the Impalas coached by Collin Webster and Fusi Feaunati. The Impalas start their season with the 7s programme by competing in the WRFU 7s series but also various 7s competitions around the country. They participated in the Fullsend 7s Tournament and came away as winners so they will be defending their title in January 2027 in Whanganui. They may have had a tough start of the 15s programme yet they still turned up every week. The Impalas made the Izzy Ford cup finals against Avalon despite not coming away with the cup. They should be proud of their efforts and I look forward to cheering them on next season.

Director of Rugby was vacant for much of the season as Tomasi Palu stepped down from the role in 2025. We will be looking to fill the vacancy for the 2027 season.

Fa'asua Makisi was appointed the new OBU Academy Lead.

We've been conducting player and Coaches reviews over the last couple of months, it's great to get feedback whether its good or bad as it gives us a chance to improve in areas for the upcoming season.

Coaching appointments will be announced soon and if you are wanting to join the coaching ranks at OBU please reach out.

While club Rugby might be on a break, I am still busy organising for next season with ground bookings, funding applications, recruitment and other things as well as supporting our men's and women's team in the upcoming 7s series starting on 31 October 2026.

See you on the sidelines

Phoebe Ferguson
Club Captain

11. NZ Universities Rugby Council Delegate's Report

OBU was well represented at NZ Universities Rugby this season with 4 men's players selected for the tour to Japan: Geordie Bean, Hunter Kennedy and Harry Irving. It was great to see the return of the OBU Women's team and they were successful in having 3 players selected for the NZU Women's team: Baylee Meroti, Te Arani Te Puni and Emerald Tuhiwai-Polson all represented OBU with pride.

Unfortunately it was announced that long-term NZU Rugby sponsor ANZCO was ending their 20+ year relationship. This has left a big hole in the future budgets and viability of tours, especially to Japan and support constituent clubs.

However, there has been slow but steady progress towards building a nationwide pre season Universities competition. The Vice Chancellors have been approached directly for support and now it's a matter of getting all parties together to finish the planning and put it in place.

NZU is now looking towards a positive rebuilding phase and is still in very good heart.

Ian Kennedy
NZURC Delegate

12. Wellington College Liaison's Report

Wellington College Rugby had a stellar year. Just falling short in the Secondary Schools 1st XV final to Silverstream meant the team didn't have a perfect on the field season, but the team should be proud of their achievements, topping the round robin section of the competition, winning all their traditional matches, beating Nelson College in the 150th anniversary of the first ever schools match in NZ and winning the 100th Quadrangular Tournament.

150th Anniversary v Nelson College

Traditional v St Pats Silverstream

Congratulations to the Wellington College Under 16 Gold team that won their grade.

OBU is very appreciative of the partnership we have with Wellington College and the support from Headmaster Glen Denham, the WCOB Association and many coaches, supporters, teachers who have been involved in 2026.

Richard Boag

Wellington College Liaison

13. Director of Rugby

Tomasi stepped down as Director of Rugby early in the season. The club appreciates the hard work he has put in for this role, the Academy and now Premier Coach

14. OBU/VUW Academy

VICTORIA UNIVERSITY OF
WELLINGTON
 TE HERENGA WAKA

Jack Jeffs
 Charitable
 Trust

The 2026 year marked a period of transition for the OBU Rugby Academy, with new coaching and management personnel appointed to support the delivery of the programme. Throughout the year, the Academy remained focused on providing student-athletes with opportunities for growth and development both on and off the field.

We express our sincere gratitude to the Jack Jeffs Charitable Trust, the Old Boys University Rugby Club, and Uni Rec Staff at Te Herenga Waka - Victoria University of Wellington for their continued support. Their investment in our people has helped create an environment where student athletes are encouraged to strive for excellence, pursue their goals, and grow into confident leaders within their communities. We also would like to thank the incredible work of Tomasi Palu, whose efforts in shaping the Academy Programme were invaluable.

Throughout 2026, the Academy remained focused on its core purpose of developing well-rounded people through the vehicle of Rugby, fostering excellence not only in sporting performance, but also in education, leadership, wellbeing, and personal growth.

Our 2026 cohort comprised of eighteen athletes - all students of Te Herenga Waka. We were grateful to welcome female representation back into the group this year as well.

This year, our athletes embraced numerous opportunities to challenge themselves both on and off the field. Through regular technical and tactical Rugby development, strength and conditioning programmes and personal development opportunities - students continued to develop the skills and attributes required to succeed in sport and in life.

Special Guest Coaches

This year's programme was further strengthened by the involvement of a range of specialist guest coaches, exposing athletes to diverse coaching philosophies, experiences, and areas of expertise.

A standout highlight was the session delivered by **Ma'a Nonu**, which received overwhelmingly positive feedback from participants and was consistently identified as one of the most impactful development experiences of the year.

Through the valued support and connections of our Academy whānau, we were also fortunate to welcome **Liam Barry**, former All Black and current Australian Men's Sevens Head Coach, who delivered a technical coaching session to the group.

In addition, **Trent Renata**, Head Coach of the Wellington Lions, shared his expertise and experience, providing athletes with further exposure to high-performance environments and expectations.

Rugby Skill Development

Field Sessions remained a central component of the OBU Rugby Academy programme, providing players with additional opportunities to develop and refine the technical and tactical aspects of their game alongside their club commitments.

Sessions focused on game understanding, decision-making, and the application of core Rugby fundamentals in competitive environments. Key areas included passing, kicking, tackle technique, breakdown effectiveness, communication, attacking structures, defensive systems, game awareness and decision-making under pressure.

We were also grateful to have active OBU club involvement, with Fusi Feaunati donating time to run a session.

External/Non Rugby Activities

In addition to Rugby-specific development, the Academy intentionally incorporated a range of non-Rugby activities throughout the programme.

These opportunities were designed to challenge athletes in unfamiliar environments, encourage personal growth, and provide a refreshing change of pace from the demands of regular training and competition.

Feedback from participants indicated that these sessions were a valued component of the Academy experience, offering both enjoyment and learning opportunities while reinforcing the importance of being adaptable, coachable, and open to learning from a variety of sporting codes and performance settings. Such experiences highlighted that excellence is not confined to a single sport and that valuable lessons can often be found by looking beyond the Rugby field.

Activities included:

- **Yoga** in the Uni Recreation Centre during Mindfulness May.
- **Basketball** was also run at the Uni Recreation Centre's main gym.
- The **Wellington Boxing Gym** session was particularly well received.

PD Workshops

Supporting athletes beyond Rugby remained an important component of the academy programme. Feedback from 2025 highlighted the need of a dedicated nutrition-focused workshop, this was successfully addressed this year through the delivery of a **Nutrition Workshop with Nikola Szentirmay-Ross**.

The programme also provided athletes with a range of personal development opportunities designed to enhance their understanding of wellbeing, personal responsibility, and life beyond sport.

Sport Integrity New Zealand delivered an Anti-Doping workshop, helping players better understand their responsibilities as athletes and the importance of maintaining clean sport practices.

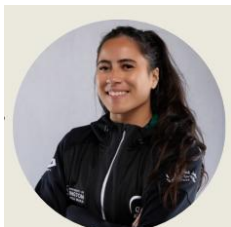

Recognising the importance of holistic wellbeing, **Mind Set Engage** facilitated a session focused on mental welfare in Rugby, providing athletes with strategies to assist in creating mentally healthy and resilient environments within Rugby that support positive mental health attitudes and behaviours.

We were also grateful for our partnership with Te Herenga Waka - Providing resources in Tapu Vea connecting with us via her role as Pasifika Liaison and Chaplain, and Sam Jones from Careers. Together, these workshops contributed to a more well-rounded athlete experience and reinforced the academy's commitment to developing individuals both on and off the field.

In Summary:

Notably, these results were achieved with fewer pieces of content than in 2025. While the sample analysed contained 27% fewer posts, the average engagement per post rose by 73%. This suggests our content is becoming more impactful, generating greater interaction and shareability while reaching a highly engaged audience.

Looking ahead, the strong engagement achieved this year highlights significant potential for future growth. With discussions already underway regarding a potential social media intern, there is an opportunity to increase the volume and consistency of content produced while maintaining quality. Given that engagement improved despite fewer posts being published, additional support in this space could further expand the Academy's reach, visibility, and connection with its audience in 2027.

15. Premier

The 2026 season promised plenty, with Head Coach Tomasi Palu and Paul Swift joined by Fusi Feaunati and John Schwalger in a strong coaching group. Off the field, John Hewitt returned to the management team, Simone Farina had the squad in excellent condition, and Samantha Flaws from TBI Health joined as team physiotherapist.

We started strongly, winning our first four matches and reclaiming the Marc Verhoeven Memorial Trophy from Petone. We were the only team to beat them before they went on to win both the Swindale Shield and Jubilee Cup. We then defeated last year's champions, HOBM, 44-17 to retain the Wood Cup. However, that win came at a cost, with Gareth Ward-Allen and Laurence-Jarel Lim both suffering season-ending Achilles injuries.

While there were several strong performances throughout the year, we narrowly missed a top-four Swindale Shield finish and the second chance that comes with it in the Jubilee Cup. Defeats to Wainuiomata and the Axemen brought our season to a premature end.

Congratulations to all our debutants, from school leavers Hunter Kennedy, Lachie Earl and Levi Hadfield, to Club Chair Ed Griffiths, who became the oldest debutant in Premiers history.

The club also celebrated outstanding representative success. Kyle Preston played in every All Blacks Test on the South African tour, while Caleb Delany and Callum Harkin won the Super Rugby title with the Hurricanes. John Falloon represented the New Zealand Under-20s.

Special congratulations go to Geordie Bean, who captained the Goats, earned New Zealand Universities selection, won Player of the Year and made his Wellington Lions debut. Well done to all Goats who earned representative honours. Hunter Kennedy made his debut for Manawatu and scored two tries in his first two games, while Harry Irving won Otago Rookie of the Year in his debut campaign. He also scored two tries as Otago reached the NPC semifinals. We also had strong representation with the New Zealand Universities team, with Geordie, Harry and Hunter all featuring prominently, The full list of representative honours can be found elsewhere in this report.

Congratulations to Mitch Shields, who won the Men's HPU Best Philosophy Award for his work ethic at the WRFU Academy this year. A richly deserved award for a hard-working Goat.

Our coaching and management team were also involved in representative Rugby. Well done to Fusi and John, who served as Assistant Coaches for the Centurions Seniors, while Swifty was Assistant Coach of the Centurions Under-18s. I was also privileged to assist Hayden Smith with the Wairarapa Bush Heartland side.

Another highlight was the club's move to Leroy's Bar on Lambton Quay, which quickly became a popular home for post-match functions and club gatherings.

One of the true legends of OBU, Wellington's oldest teenager, Peter Osborne, passed away in January. When we played Ories this year, we wore a Victoria University Rugby Club throwback jersey to acknowledge Os's contribution to the club. The jersey was based on the designs worn in the 1950s when Victoria University won multiple Jubilee Cups with Os in the team and it also featured his Wellington Lions number, #1008. A massive thank you to Smithy for designing the jersey.

One of our successes this year was the fundraising quiz held at 1852 Pub & Kitchen. It was a fantastic night that was exceptionally well supported by our friends and families. Finally, thank you to all our sponsors for your continued support and generosity throughout the season. Your contribution is greatly appreciated.

Cheers

Brad Houlahan
Assistant Manager

18. Under 21 Green

This year saw the introduction of a completely new coaching and management group for the mighty Billy Goat Colts team of 26. As head coach, I was superbly supported by Stephen Wilson (Assistant Coach), Eric McAuley (Manager), Richard Dawson (Assistant Manager) and Ben Reilly (Physio). The commitment, effort, and support this group provided throughout the season was second to none, and I would like to sincerely thank each of them for their contribution.

I would also like to acknowledge Josh Wilson for his strength and conditioning sessions earlier in the season, our club S&C Coach, Simone Farina, for getting the lads' baseline fitness to such a high level before the season even began, and, of course John Schwalger, our scrum doctor helping with the dark arts of creating a formidable set piece. Thanks must also go to Samantha Flaws, our Premier Physio, for her ongoing support in managing the overall club injury list each week and for providing our team with additional expertise whenever called upon.

Preseason and Team Culture

Our primary goal for the season was to foster a strong, positive culture both on and off the field. We wanted every player and team member to thoroughly enjoy their time, develop personally and athletically and build lasting connections well beyond their years with the Colts. Equally important was extending a warm welcome to whānau and friends, giving parents peace of mind that we provide a safe, supportive, and caring environment for their young tamariki.

With a strong group of returning players entering their second and third years, along with an influx of first-year players from around the country, we began the season with a squad of more than 40 players.

As part of our preparation, we held an in-house camp focused on our overall team strategy and game plans, followed by three preseason fixtures against HOBM, WCOB XV and Poneke. During this period, Oliver Roberts was named captain, with Isaiah Barry appointed Vice-Captain. Both players led by example throughout the season, and I commend them for the leadership they showed amongst their peers, as well as the support they provided to the coaching and management group.

Tank Paris Memorial Cup

Our competition for the Tank Paris Memorial Cup was affected by a late change to the draw, resulting in a one-week delay for all teams involved. We eventually opened our campaign against Marist St Pats at Kilbirnie Park.

It was a tough opening encounter, with MSP taking the win, but the result did not dampen the team's enthusiasm or commitment. The following week saw us take on Petone in the Cage at Ian Galloway Park in atrocious conditions. Despite a late surge into the wind, we were unable to secure the victory.

The following rounds saw us face HOBM, Tawa, and Upper Hutt, with close losses in each game. At the midway point of the season, we took the opportunity for a reset with the team. This included the introduction of a player leadership group and a comprehensive video analysis session. The changes had an immediate impact, with the team securing our first win of the competition, a 28–19 victory over Paremata Plimmerton at Kelburn Park. The next two rounds produced mixed results, with a loss to Norths followed by a hard-fought victory over Poneke.

Vic Calcinai Memorial Cup

Moving into the second round of the competition, the trophy up for grabs was the Vic Calcinai Memorial Cup. The competition included Poneke, Paremata Plimmerton, Norths and Upper Hutt. As a five-team competition, the format included a bye, and we also had to contend with a couple of cancellations, resulting in a fragmented few weeks as the season drew to a close.

Despite these disruptions, the team continued to build momentum. Two victories over Paremata Plimmerton secured our place in the grand final against Poneke.

The final was played at Kilbirnie No. 1 in a stiff northerly breeze, with the conditions potentially making it a game of two halves. However, with the team firmly believing in the game plan and playing with confidence and determination, we came out on top with an impressive **30–19 victory**, securing the **Vic Calcinai Memorial Cup**.

Off-Field Culture

Off the field, we placed a strong emphasis on creating a team-first environment. The players consistently supported the club by attending the clubrooms in great numbers after every match, whether playing at home or away, and wearing the club colours with pride.

The commitment shown to team events, including the Live Band fundraiser and the Ten-Pin Bowling afternoon, also played an important role in building the strong bonds that developed within the group. The camaraderie and connection created through these activities were evident in the team's performances during the latter stages of the competition.

Season Summary

While the season was heavily disrupted by a late start, weather cancellations, and the referee strike, the group continued to show resilience, commitment, and a willingness to improve.

Over the 12 games we played, we developed a fantastic team culture, strengthened relationships and created connections that I hope will last well beyond this season. Most importantly, we achieved these goals while also bringing some silverware home.

Winning the **Vic Calcinai Memorial Cup** was a fantastic reward for the players and everyone involved and I am incredibly proud of what this group achieved both on and off the field.

A huge thank you to our sponsors Victor Hydraulics, Ollie, Regan and the staff at Leroy's and every player, coach, manager, physio, supporter and volunteer who contributed to making the 2026 Billy Goat Colts season such a memorable one.

Finally, congratulations to the following players who made representative sides from our colts team in 2026:

Wellington U20's - Lachie Earl, Isaiah Barry & Mikaio Ah Chong-Hoskings

Wellington Maori U18's - Anthony Saumamao, Noah Ranapiri Aliva & Manaia Pirere-Newton

Hurricanes Heartland U21's - Anthony Saumamao

20. Righteous Pink Ginners

Winners: OBU Peter Scott Cup Most Successful On-Field Reserve Grade Team
Winners: OBU Brown Copeland Cup Most Successful Off-Field Reserve Grade Team
Most Points: Graham Haggett Cup OBU Reserve Grade: Harry Earl (170 Points)
Most Tries: Mike Lorrigan Shield OBU Reserve Grades: Harry Earl (14 Tries)
Jackie Ruru Blazer: Dan Parker
Holders: Jackie Ruru Shield

The 2026 season was another massive step forward for the Righteous Pink Ginners, finishing third in Division 1 and reaching our first Division 1 semifinal in 22 seasons. From lending Stokes Valley players in Round 1 to nearly pulling off a comeback against the eventual finalists, there was never a shortage of entertainment, questionable decision-making, and the occasional glimpse of genuinely good Rugby.

We started the season with three wins on the bounce, including a 66–15 demolition of Wainui Legacy, before Poneke Ruffnuts brought us back to earth with a 43–21 defeat. The boys responded well, beating Tawa 47–26 before producing one of our best performances of the year, smashing the 69ers 68–20 to retain the Ruru Shield. We then claimed the Bouzaid–Coyle Cup with a dramatic 28–22 victory over MSP Internationals, our first win against them since 2021. The following week, we finally got one over Mixed Veges, winning 29–5 to retain the Ruru Shield and break the hoodoo that had haunted us since the heartbreaking 2023 semifinal. A 35–24 win over Upper Hutt Thirstys secured our place in the top four, before a narrow 31–29 loss to Johnsonville Cripples reminded everyone that apparently even props can kick goals when it is least convenient.

We entered the playoffs with plenty of confidence and made light work of Stokes Valley in the quarterfinal, winning 43–7 in a game that was eventually called early as the niggles started to outweigh the Rugby. Unfortunately, our campaign ended in the semifinal against Johnsonville Cripples, who beat us by seven points after another hard-fought battle. It was a disappointing finish, but one that needs perspective. After finishing second-last the previous season, reaching the Division 1 semifinals for the first time in over two decades was a bloody good achievement. We proved we belonged at the pointy end of the competition, and there is plenty to build on heading into 2027.

What made this season special, however, was not just the results, trophies, or the points we managed to put on the board. It was the culture that kept growing around the team. The boys rallied around one another, whether that meant turning up on game day, putting in the hard yards at training, attending court sessions, or celebrating the many milestone appearances achieved throughout the year. We welcomed back some familiar faces and brought in a bunch of great new fullas, with the usual collection of wags, kids and loyal supporters making RPG feel like more than just a Rugby team. The belief grew as the season progressed, and so did the standards we held ourselves to. We learned that we could compete with anyone when we fronted up, played for one another and stuck to our strengths. There were still plenty of penalties, dropped balls and moments where the Rugby gods probably questioned our IQ, but the commitment to the group never wavered. That culture is what makes RPG what it is. We want to be a team that competes hard, looks after its own, respects the jersey and gives everyone a reason to keep coming back. The wins are great, but the friendships, shared experiences and sense of belonging are what keep a reserve-grade Rugby team alive year after year. Whether you are playing your 350th game, making your debut, running water, bringing the kids along or somehow finding yourself in another court session, you are part of it.

Naturally, no season report would be complete without acknowledging our inaugural end-of-year tour. On Friday morning, approximately 27 brave souls made the pilgrimage to Whanganui, embarking on what would become a weekend to remember, forget, or vehemently deny depending on who you ask. We worked our way up State Highway 1 through the pubs, stopping at various establishments before eventually reaching the Rat Hole in Bulls. By the time we arrived in Whanganui, clarity of mind had given way to blurry vision and the team manager's ability to count heads had become increasingly important. It was an excellent display of teamwork, although the quality of our decision-making may have deteriorated with every kilometre.

Saturday brought the small matter of a match against Whanganui Marist Seconds, who had apparently made the sensible decision not to spend Friday night sampling every pub between Wellington and Whanganui. Their preparation showed, and they proved too strong for us, winning 36–12. The Rugby was followed by more beers, throbbing heads, a few questionable nudie runs and a trip to watch the local Heartland Championship clash between NPEC and Whanganui. Some of our younger lads also found a little local romance along the way, proving that RPG's recruitment strategy may extend beyond the Rugby field. Sunday morning featured a slow, reflective journey home, with several boys looking like they had just completed an extra round of preseason conditioning.

The inaugural tour was everything we could have hoped for: a bit of Rugby, a lot of questionable behaviour, plenty of laughs and memories that will be talked about for years to come. If Whanganui will have us back, we will gladly return. Next year, we're aiming higher, both on and off the field. To everyone who pulled on the jersey, supported the boys, contributed to the culture or helped make the season what it was, thank you. Third place is a bloody good platform, but we are not done yet. We will take the lessons, the laughs and the occasional hangover into 2027, with the same group-first mentality and a clear goal: keep building, keep competing and give ourselves every chance of going one better. Up the RPG!

22. Mixed Veges

Winners: Omar Cup Sixty Niners v Mixed Veges

2026 has been a challenging year for several reasons, and while it was unfortunately that we could not lift in the Reserve Grade Division 2 final to win Alan Seerup Cup overall we have had a good year.

Before the season started, we did however have the sudden passing of a Mixed Vege legend in Ray Kernel Corn Simpson, which has changed vege Rugby. Right from the 1st game we also had to manage a high number of injuries, including a few players that were only able to play 1-2 games before injuries ended their season, and across the grade several teams were struggling for numbers which lead to regular defaults and game-on situations.

Continuing from last year we did however have good numbers, with 47 veges pulling on their boots this year, and great numbers across Wednesday trainings. This included a good crop of new vege seedlings, with 13 new players turning up for at-least 1 game, and some good milestones with both Navy Bean and Bell Pepper reached 50-game, Hashish reached 200 games, and Tarragon finished the season on 348 games (17 games behind our all-time most capped vege Radish).

With only 11 games played our on-field results were mixed, with a 95-7 win over an understrength Tawa team (in which Arugula scored 5 tries, a vege record) and a good 23-12 win over the Petone Brotherhood in the semi-final. Unfortunately we could not lift in the final, with a 5-33 loss to the MSP Internationals, we were beaten 5-29 by a good OBU RPG team in our first challenge for the Ruru Shield in over 30 years, and we had close losses to the Johnsonville Cripples and Para-Plim through the middle part of the season. Overall, we ended the season with 5 wins and 7 losses.

At our year end prize giving we recognised some of the outstanding performances, with:

- The Angela Wallace Taonga going to Jay YTBN (Yet To Be Named) Nehemia for commitment and passion on and off the field.
- Most Improved going to Vincent Sukini Solomona.
- Rookie and the Kernel Corn Memorial Trophy to Will Nutmeg Ngaro.
- Team Player and the Wild Cactus Memorial Trophy to Zya YTBN Moananu.
- Back of the Year Dante Poppy Seed Rooney.
- Forward of the Year Richard Navy Bean Newson.
- Vege of the Year Cameron Shiitake Marchbank.

Looking forward the Mixed Veges are well positioned for 2027, where we will celebrate 42 years of Vege Rugby. We have a strong group of players, an engaged management team, active supporters and compost on the sideline, and a strong foundation for the future.

29. Obituaries

Grant Bernard Batty

31 August 1951 - 16 January 2026

Grant was born on 31.8.1951 in Greytown. He was educated at St Mary's Convent, Carterton & Greytown School then Kurunui College where he was in the 1st XV 1967-69.

Grant Played 58 games for Wellington Lions (Lions # 1171) making his debut from the Victoria University club in 1970 vs Manawatu at Athletic Park, then the rest of his Wellington career from Marist St Pats (1971-1975). He scored 45 tries and 1 drop goal for 177pts. He moved to Otumoetai Cadets club in the Bay of Plenty for the 1976-77 seasons.

He played for 56 matches for the All Blacks from 1972 to 1977 including 15 test matches. He scored 45 tries until ongoing knee problems ended his stellar career at just age 25.

His 1st class career also included playing for Centurions Club, IA. Kirkpatrick's XV, Sassenachs Club, Wasps Club 1975; NZ Universities, NZ Under 21, NZ Juniors Trial, NZ Juniors (Under 23), President's Overseas XV (in Scotland), North Island and NZ Trials.

Grant went on to win the New Zealand TV multi-sport competition *Superstars* for three consecutive years - 1977 to 1979. In the 1980's he moved to Queensland and coached various teams and in 2004-2005 he coached Japanese team Yamaha Jubilo.

While diminutive in stature, Grant was best noted for his fiery temperament on the field and never taking a backward step to much bigger opponents. He was described in a famous commentary after scoring a great solo try as 'that electric little man'. He was greatly admired throughout the Rugby world.

Acknowledgements:
WRFU Historian
