

### MyRugby App - Step-By-Step Guide Players/Fans

## What is the MyRugby App?

#### It's a match day app for Community Rugby

- Team managers to record who played and scored
- Team supporters & players view fixtures to see when and where their teams are playing, and their results
- Union admins will be able to display draws within the app and collect match information from team

#### **Get Started**

- When you first open the MyRugby App, a **'Welcome'** page will appear with an overview of what the app provides
- Select 'Skip', or swipe through the information and select 'Get Started'
